Maximum number of lots

As of the Filing Date, the Community is licensed for 144 spaces and the maximum number of Mobile Home Lots that will share the facilities within the Community is 144. Recreational Vehicles (“RVs”) may also be permitted within the Community. There is no designated area to be used exclusively by RVs and RVs may be placed on Mobile Home Lots or on additional RV lots to be developed in the future. In no event will the total number of Mobile Home Lots and RV lots exceed 144.

Setback requirements

There are several requirements of law with respect to how far each Mobile Home within the Community must be set back from the borders of Mobile Home Lots and the distance that must be maintained from each Mobile Home in the Community and its supporting facilities (such as, for example, a carport) to other Mobile Homes, supporting facilities, and structures in the Community.

Based on the year the Community was constructed and pursuant to Section 4A-42.005, Florida Administrative Code, the State Fire Marshal has adopted the code of the National Fire Protection Association. This code sets forth minimum separation distance requirements between manufactured homes as follows:

4-2.1 Fire Safety Separation Requirements

4-2.1.1 Any portion of a manufactured home, excluding the tongue, shall not be located closer than 10 ft. (3 m) side to side, 8 ft. (2.4 m) end to side, or 6 ft. (1.8 m) end to end horizontally from any other manufactured home or community building unless the exposed composite walls and roof of either structure are without openings and constructed of materials that will provide a one-hour fire rating or the structures are separated by a one-hour fire-rated barrier. (See 4-4.1)

4-4 Accessory Building or Structure Fire Safety Requirements

4-4.1 Setback Requirements: Accessory buildings or structures shall be permitted to be located immediately adjacent to a site line where constructed entirely of materials that do not support combustion and provided that such buildings or structures are not less than 3 ft. (0.9 m) from an accessory building or structure on an adjacent site. An accessory building or structure constructed of combustible materials shall be located not closer than 5 ft. (1.5 m) from the site line of an adjoining site.

In addition to the requirements of the State Fire Marshal, the City of Lake Worth, Florida, has enacted certain zoning regulations controlling the setback and separation of Mobile Homes within the Community. Because the Community was created before August 1, 1987, the minimum setback and separation requirements imposed by the City of Lake Worth as of the Filing Date are as follows:

Minimum setback of mobile homes or accessory buildings from mobile home park boundary lines and public rights-of-way shall be ten (10) feet, excluding the tongue. Minimum setback of mobile homes or accessory buildings from internal circulation routes shall be ten (10) feet from the centerline, including the

tongue. However, in no instances may the mobile home protrude onto the internal circulation routes.

Minimum setback of private indoor and outdoor recreation and service facility structures from mobile home park boundary lines, public rights-of-way and internal circulation routes: Ten (10) feet.

Minimum separation between any portion of a mobile home or its accessory buildings, excluding the tongue, shall be no closer than ten (10) feet side to side, eight (8) feet end to side, or six (6) feet end to end horizontally from any other mobile home or accessory buildings.

Minimum separation between one (1) individual mobile home together with its accessory buildings and private indoor and outdoor recreation and service facility structures: Ten (10) feet.

Lake Worth, Fla., Code of Ordinances § 23.3-9(c)(4)(E).

The Community is subject to the laws, statutes, ordinances, and regulations of the United States, the State of Florida, the County of Palm Beach, and the City of Lake Worth. The city, county, and state may have overlapping, inconsistent, and potentially conflicting setback requirements. In addition, these requirements are subject to change by amendment, repeal, or court decisions. Residents are therefore advised to make their own independent inquiry with respect to these matters. The Community makes no representation or commitment as to the applicability of any of these requirements in the future. No obligation is undertaken by the Community, the Community Owner, Management, or any of the Community Owner's or Management's directors, officers, employees, agents or affiliates to advise any Resident of any modification, repeal, or amendment.

<u>Type of Fee</u>	<u>Amount</u>	<u>Description</u>

Pass-Through Charges

The Mobile Home Owner will be responsible for payment of any pass-through charge, which is the Mobile Home Owner’s Proportionate Share (as defined at page 2 above) of the necessary and actual direct costs and impact or hookup fees for a governmentally mandated capital improvement which may include the necessary and actual direct costs and impact or hookup fees incurred for capital improvements required for public or private regulated utilities. The charges may be assessed more often than annually and will be assessed to the Mobile Home Owner on a Proportionate Share basis.

Government or Utility Charges

The Community Owner may charge the Mobile Home Owners for any costs incurred or caused by any state, federal, or local government or utility company. The Community Owner may pass on, at any time during the term of the lot rental agreement, certain government or utility charges subject to the requirements of Chapter 723, Florida Statutes, as amended. If charged for separately, these allowable Pass-On Charges will not be otherwise collected in the remainder of the Lot Rental Amount. The Pass-On Charges may be assessed more often than annually and will be assessed to the Mobile Home Owner on a metered basis, based on actual usage, or on a pro rata basis. A Mobile Home Owner’s pro rata share will be computed by dividing the total number of Mobile Home Lots leased by the Mobile Home Owner by the total number of leased Mobile Home Lots in the Community and multiplying it by all direct costs, including, by way of example and not by limitation thereof, any and all engineering, design or development charges of every nature; plus, any impact or hookup fees charged by a utility company or governmental entity; plus, any costs of capital related to such costs or charges.

Assessments will be made only for costs that are not otherwise included in the remainder of the Lot Rental Amount. The assessment will be

imposed as set forth in the Notice of Assessment. The Notice of Assessment will be given ninety (90) days prior to the effective date of the assessment.

Generally

The costs of all other services required by the Mobile Home Owner are solely the Mobile Home Owner's responsibility.

Nothing in this Prospectus shall be deemed a waiver of the Community Owner's right to collect from the mobile home owner any damages that the Community Owner may sustain as a result of or in connection with a tortious act, neglect, or breach of lease by the Mobile Home Owner, Resident, Tenant, Occupant, Guest, or any person permitted to be on Community property by the Mobile Home Owner.

The dollar amounts set above represent only the amounts charged for each rental category on the date upon which this Prospectus was delivered. Wherever "0" or "N/A" appears above a blank for the amount charged for any rental category described above, it means that the charges for that rental category are not imposed by the Community Owner on the date this Prospectus was delivered. As disclosed in this Prospectus, all charges, including those listed as "0" or "N/A," are subject to increase.

Section IX Lot Rental Amount Increases

The manner in which the Lot Rental Amount will be increased is set forth in this Section. Please note that the terms Lot Rental Amount, Special Use Fee, Pass-Through Charge, Proportionate Share, User Fees, and Pass-On Charge have specific meanings and are defined in the "Definitions" section at the beginning of this document.

Notice of Increase. The Mobile Home Owner shall be notified of any increase in the Lot Rental Amount at least ninety (90) days prior to the effective date of such increase. Notice of a Lot Rental Amount increase will be deemed "given" when either: (1) hand delivered to the Mobile Home Owner or (2) placed in the U.S. Mail by the Community Owner or its agent.

Lot Rental Amount Increase. An increase in one or more of the following factors may result in an increase in the Mobile Home Owner's or Resident's Lot Rental Amount, User Fees, or other charges:

1. "Increased costs" which refers to any increases experienced by the Community Owner since the delivery of notice of the last increase in the Lot Rental Amount in the total costs arising out of the ownership, operation, and management of the Community. All present and future operating expenses and other charges of every kind and nature may be taken into account in determining the total costs, and such expenses and charges may include, but are not limited to: (1) costs of obtaining utility services, including water, sewer, electricity, gas and waste disposal; (2) property taxes and special assessment and levies; (3) insurance premiums; (4) the cost of general repairs; (5) the cost of janitorial, security, cleaning, window washing, and pest control; (6) the cost of redecorating, renovating, and landscaping the common facilities or areas in the Community, and of striping, patching, and repairing any roadways, vehicular parking areas, or storage areas in the Community; (7) the cost of providing heating, ventilating, and air-conditioning services to any recreational building or other common area or facility in the Community; (8) reasonable salaries and other remuneration and compensation paid to persons or firms engaged in operating, managing,

repairing, maintaining, or administering the Community; (9) management fees paid in connection with the operation and management of the Community, including any such fees paid to the Community Owner or any affiliate of the Community Owner; (10) the cost of capital improvements or major repairs made in or for the benefit of the Community or its Residents, and the funding of any reserves for capital improvements or repairs; and, (11) license fees, permit fees, and other fees and charges payable to the state of Florida or any agency or municipality thereof.

2. “Prevailing Market Rent” refers to the lot rental amount imposed in manufactured home communities which are comparable to this Community, or the Lot Rental Amount willingly paid from time to time by new Residents of this Community. A community will be deemed comparable if it is located in the same competitive area as this Community, and offers similar facilities, amenities, services and/or management.

3. “Prevailing Economic Conditions” refers to those factors which bear on the economic viability of a real estate investment and which would be considered by a prudent businessperson in establishing the Lot Rental Amount or any increase in the amount thereof. These factors may include, but are not necessarily limited to: (1) the costs attendant to the replacement of this Community in the economic environment existing at the time of any increase in the Lot Rental Amount, including land acquisition costs, construction costs, and losses associated with the operation of a manufactured home community prior to full occupancy, and the level at which the lot rental amount must be established in order that the Community Owner will realize a reasonable rate of return on the costs referred to in this clause; (2) the level at which the Lot Rental Amount must be established in order that the Community Owner will realize a reasonable return on the “Owner's Equity;” for this purpose, the “Owner's Equity” refers to the fair market value of the Community from time to time, less existing mortgage indebtedness; (3) the level at which the Lot Rental Amount must be established in order to pay the level of interest rates and other financing charges associated with construction, interim and permanent financing, including the cost of purchase of the property; (4) the availability of alternative forms of real estate investments which, absent the Lot Rental Amount increase in question, might reasonably be expected to yield a greater return on investment capital; (5) the levels of the Consumer Price Index, U.S. City Average—All Urban Consumers (1982-84 = 100) and/or any other widely accepted replacement index measuring the relative value of the U.S. dollar; (6) other economic factors which might reasonably be expected to affect either the value of the Community, the rate of return available to the Community Owner at the existing level of the Lot Rental Amount, the present value of the real estate investment in the then current economic conditions, and which would be taken into consideration by a prudent businessman in considering the amount of Lot Rental Amount increase required in the community in order to realize a rate of return similar to other at risk real estate ventures from the then current value of the Community.

In addition to any increase in Lot Rental Amount resulting from any one or more of the foregoing factors, the Community Owner expressly reserves the right to increase the base rent for each leased lot in the Community up to five percent (5%) per annum.

Section X Additional Considerations

A. The Community Owner reserves the right to amend this Prospectus or any Exhibit hereto from time to time to the extent permitted by law.

B. Purchasers assuming the remaining portion of a rental agreement as allowed by Section 723.059(3), Florida Statutes, as amended, are hereby notified that, upon expiration of the term of the assumed rental agreement, the Community Owner expressly reserves the right to increase the Lot Rental Amount in an amount deemed appropriate by the Community Owner based on prevailing market rent or any of the factors set forth in this Prospectus.

The seller of a Mobile Home is required to deliver their Prospectus to the purchaser. The seller must advise Management of the imminent sale of the Mobile Home and of the prospective purchaser's name and address.

The seller may not promise the purchaser they will be approved for residency in the Community because the purchaser must meet with Management prior to assuming the remainder of the term of the rental agreement, be screened for eligibility as a prospective resident under the Community's then existing rules and regulations, and agree to any increase in Lot Rental Amount in writing prior to occupancy, or inform the Community Owner otherwise. Failure to comply with this provision may result in eviction for failure to qualify as a resident pursuant to Section 723.061, Florida Statutes.

C. No court action may be brought by any Mobile Home Owner, Resident, Tenant, Occupant, or home owners association relating to a dispute concerning changes to the rules and regulations, the current Lot Rental Amount, or an increase in the Lot Rental Amount unless such persons or entities have complied with the meeting and mediation requirements set forth in Sections 723.037 and 723.038, Florida Statutes.

D. The Community Owner or Management and the Mobile Home Owner or Resident may agree to a modification of the terms and conditions established under this Prospectus or any rental agreement, provided that such modification is agreed to in writing by the Community Owner.

E. Management reserves the right to enter, or to have designees enter, any Mobile Home Lot for purposes of repair and replacement of utilities and protection of the Community at all reasonable times, but not in such a manner or at such time as to interfere unreasonably with the Resident's quiet enjoyment of the Mobile Home Lot.

Section XI User Fees

Residents are responsible for the payment of User Fees if the Resident agrees to the provision of such services for fees established by the Community Owner. User Fees may be increased, at Management's sole discretion. Factors considered include increased costs, prevailing market rent, and prevailing economic conditions (see Section IX, above). Notice of an increase or change in User Fees will be given not less than five (5) days prior to the increase. Such notice may be given by posting in the Mail Room, by personal delivery, by email, or by U.S. Mail. Notice by U.S. Mail will be deemed made upon the mailing of the notice to the Mobile Home Owner's last known address.

At present, the Community does not require User Fees for any of its services.

Section XII Community Rules and Regulations

The current Community Rules and Regulations are attached as an Exhibit to this Prospectus and are incorporated herein by reference as part of this disclosure document. The Community Owner reserves the exclusive right to make, change, or promulgate Community Rules and Regulations during the term of the tenancy.

Pursuant to Section 723.037(1), Florida Statutes, the Community Owner shall give written notice to each Mobile Home Owner at least ninety (90) days prior to any change in rules and regulations. Rules adopted as a result of restrictions imposed by government entities or those required to protect the public health, safety, and welfare may be enforced prior to the expiration of the ninety (90) day period.

Section XIII Zoning

The City of Lake Worth is the Zoning Authority for the land comprising the Community. The land of the Community is zoned "MH" district for the purpose of mobile home parks. Permitted uses are limited to single family mobile homes, travel trailers, and motor homes, and to accessory facilities and public facilities for mobile homes.

2. Leases and Rents.

- 2.1. Short-term RV leases may be oral or written and have a term agreed upon by Management and the Resident.
- 2.2. The Rental Amount paid is applicable for all registered Residents, provided, however, that there shall in no case be more than two (2) registered Residents for each bedroom in a Mobile Home or RV.
- 2.3. Mobile Home Rental Amounts are payable in advance and are due on the first day of each month and are delinquent after the fifth (5th) day of the month. Recreational Vehicle Rental Amounts may be made on other periods, which will be determined by Management. Rent payments may be made at the Management Office, 1717 12th Avenue South, Lot F-6. If the prospective purchaser does not meet the requirements for new Residents, the purchaser may nonetheless purchase the Mobile Home, but will be required to move the Mobile Home from the Community.

4. Qualification for Residency.

Individuals shall not qualify to be Residents of the Community unless and until they have provided to Management, on an application supplied by Management, satisfactory evidence of creditworthiness and ability to comply with the Rules and Regulations. All applications must be signed and delivered in person by the applicants to the Management Office.

- 5.3. Failure of the Mobile Home Owner to comply with these Rules and Regulations or to secure compliance by the Tenant, Occupant, or any Guest may result in termination of the Rental Agreement and/or tenancy between the Community and the Mobile Home Owner and may result in the Mobile Home Owner being evicted and/or the Tenant, Occupant, or Guest being evicted or ejected.
- 5.4. An additional Special Use Fee equal to ten percent (10%) of the rents payable from the Tenant to the Mobile Home Owner is collected as part of the Lot Rental Amount for sub-letting.

Residents are responsible for regularly watering, mowing, weeding, and edging their lawns and trimming all shrubs or plants in order to maintain a well-kept appearance. During the rainy season, lawns must be mowed once per week. Management reserves the right to enter onto any Lot in order to mow lawns that are not in compliance and to do so at the Resident's expense. In such a case, Management is not liable for any damage or destruction to personal property or plants. To protect the underground utilities and infrastructure, Residents must obtain prior written approval from Management before planting any plants other than grass. 13. Antennas and Satellite Dishes.

Cable television is available in the Community through local cable television providers. Any antennas or sending and receiving apparatus shall be attached to the Unit or Lot. Any equipment that interferes with neighboring reception is prohibited.

Federal Communications Commission regulations allow reasonable restrictions affecting the placement, appearance or installation of satellite dishes and antennas. To maintain the appearance of the Community and help avoid safety hazards, all antennas and satellite dishes of every kind should be installed from the middle rear of the Unit. They may not extend any higher above the Unit's roofline than the distance between the Unit itself and the adjacent lot line. Such limitation is to protect your neighbors from injury if the mast or antenna falls. Satellite dishes may be installed on a Unit or on the Resident's own lot, so long as it does not exceed 1 meter in diameter. Dishes larger than 1 meter in diameter are prohibited in this Community. Satellite dishes may not be installed on any other Resident's Lot or on common property.

The use of tinted Mylar film in brown or gray tint is acceptable. All window treatments in homes and all blinds, including in screen enclosures must be maintained in good condition. To protect the safety of all Residents, no modifications may be made to windows or any other part of the exterior of the home without first: (1) providing written certification from a licensed engineer; or, the original manufacturer of the Unit that the proposed modification/alteration will not affect the structural safety of the Unit during storms; and, (2) receiving the prior written approval of Management.

18. Parking and Motor Vehicles.

18.1. Parking Only in Designated Areas: All vehicles must be parked in the Resident's designated parking area. Parking in another Resident's designated space is not permitted. Do not park on or drive across any lawn or grass area of a Lot or common area within the Community. The number of available parking spaces varies by Lot. If Residents require more parking spaces than are designated for their Lot, an additional vehicle fee may apply.

18.2. Operating Motor Vehicles: The speed limit for motor vehicles is posted at 8 miles per hour and shall be strictly observed. Mini-bikes, go-carts and dirt bikes are not to be ridden in the Community. All vehicles that are to be operated in the Community must be properly licensed and registered per Florida law. Vehicles that are not properly licensed and registered may be towed at the owner's expense. No person shall operate a motor vehicle or golf cart in the Community unless that person has a valid operator's license.

18.3. Unauthorized Vehicles: Unlicensed and inoperative or illegally parked vehicles are not permitted in the Community. Such vehicles may be subject to removal by Management at the Resident's expense. No unsightly vehicle (damaged or missing parts), which is not in running condition, shall be parked anywhere in the Community.

18.4. Maintenance of Motor Vehicles: Maintenance or repairs of any kind on automobiles or other motor vehicles other than the changing of tires or minor repairs, which require the vehicle be immobilized for no more than two (2) hours, is prohibited. Residents shall not allow inoperative, unlicensed or unused motor vehicles to remain on their premises or in the Community. Parking areas shall be kept clean and free of oil and other stains.

19. Boats and Trailers.

Boats, utility trailers, or travel trailers may not be stored on your Lot. Limited storage space for such boats and trailers is available for an additional Special Use Fee.

20. Guests.

Guests are defined for the purpose of this paragraph as all persons who are not registered and approved by Management as Residents and who are on the Community premises at the specific invitation of an approved Resident or occupant. All guests who anticipate staying more than seven (7) days must register with Management. Any person staying for over fifteen (15) consecutive days or more than thirty (30) total days per year shall be considered an Occupant and must be approved by Management. All guests must comply with all Community Rules and Regulations at all times. Residents are entirely responsible for their guests, including any violation of these Rules and Regulations by a guest.

21. Pets.

Any pet which is to reside within the Community must be considered a “domesticated” animal by the Management and must be of the type that would normally stay inside the Unit. “Non-domesticated” breeds may include, but are not limited to, Dobermans, Rottweilers, Pit Bulls and Chows. Large, dangerous, or exotic pets are not permitted. Management reserves the right to judge the domesticity of the animal and the decision of Management is final.

21.1. Only two standard house pets may be allowed in any Unit and then only if approved by the Management in advance. All pets must be registered at the Management Office and are subject to an additional Special Use Fee. Any pet not properly registered within the office must be removed from the Community.

21.2. All pets must have proper city or county licenses and current immunizations to ensure the safety of all Residents in the Community. Pets must be on a leash when outside and must not be walked on other Lots in the Community. Residents are responsible for removal of their pet’s droppings immediately, whether on their Lot or otherwise.

21.3. If Management finds the conduct of a pet to be dangerous, noisy, bothersome, or a nuisance or if the pet is found running loose on more than one occasion, its registration will be terminated and the pet must be removed within seven (7) days from receipt of written notice. Failure of the Resident to remove the pet from the premises within such a period may result in eviction proceedings.

21.4. Pet owners will be liable for any and all damages caused by their pet. Should a pet be found running free, it may be held for pickup by the animal control department. If a pet is picked up by such animal control department a second time, the pet will not be permitted to return to the Community.

22. Children.

In order to ensure their safety and well-being, children under the age of thirteen (13) years must be under the supervision of an adult at all times while on the Community premises. Residents are responsible to see that their children or the children of their guests do not become a nuisance or disturb other residents of the Community. Children’s toys may not be left outside. Children are prohibited from trespassing on Lots (either occupied or vacant). Residents will bear full financial responsibility for the acts of their children or the children of their guests and visitors.

23. Absence.

Residents and Mobile Home or RV owners are required to notify Management of any absence or period of non-occupancy in excess of thirty (30) days and leave a forwarding address. Rental Amounts continue to accrue and must be timely paid during periods of absence.

24. Barbeques and Fires.

Fire is to be made only in containers designated for it. No open fires or burning of trash or brush is permitted. Barbeque grills or other sources of flame may not be left unattended. No fire or barbeque of any type shall be allowed unless the Resident has present a fire extinguisher or other reliable method of fire suppression at all times.

25. Business Operations.

No business may be operated from any Unit or Lot without prior, express approval from Management.

26. Drugs.

The sale, distribution, manufacture, possession, or use of illegal substances is prohibited. It is also prohibited to drive a motor vehicle while under the influence of illegal substances. Disruptive or improper conduct while under the influence of illegal substances is not an excuse and is itself a violation of these Rules and Regulations. Any person violating this rule may face penalties up to and including eviction and may be reported to law enforcement agencies; additionally, guests violating this policy may have their guest privileges revoked.

27. Emergencies.

In the event of an emergency, Residents are responsible for taking care of their own safety, health, and fire protection needs. In an emergency, call the police or fire department first then notify Management or its agent.

28. Gambling.

Gambling is prohibited as provided by state law.

29. Nuisance.

Disturbing the peace in any manner, profanity, indecency, drunkenness, harassment, threatening conduct, and loud playing of audio equipment, radios, TVs, stereos, musical instruments, or any other type device will not be tolerated. Fireworks or other dangerous instruments are not permitted in the Community. Firearms, BB guns, air-soft guns, paintball guns, and similar items may not be discharged in the Community. Brandishing of any weapon is prohibited. Management assumes no responsibility for resolving personality conflicts or disputes among neighbors. Mutual respect and cooperation among Residents is expected. Each Resident is expected to report any vandalism to individual or Community property to the Management promptly.

30. Quiet Hours.

To ensure the quiet enjoyment of all Residents, quiet hours are in effect from 10 p.m. to 8 a.m. During these times, Residents, Occupants, and guests are expected to keep noise to a minimum.

31. Solicitation.

To insure the privacy of residents, no door-to-door solicitation is permitted in the Community by any Resident, Occupant, Guest, or nonresident, with the exception that Residents have the right to canvass and solicit as allowed pursuant to Section 723.054, Florida Statutes. This provision is not intended to prohibit the notification regarding or invitation to events such as picnics, parties, social events, or similar activities.

32. Trespassing.

Trespassing on or through other Residents' Lots is not permitted. Repeated violations of this Rule may result in penalties up to an including eviction.

33. Garbage, Trash, and Sanitation.

Pick-up dates for garbage and trash will be determined by the City of Lake Worth and/or the entity contracted by the City of Lake Worth to provide garbage and trash disposal. Garbage and trash will be picked up only if it is contained in a secured plastic bag inside a garbage can and placed at a designated location on collection days. A dumpster is available for larger items. For information about collection days and locations of dumpsters, please contact Management. Garbage and recycling cans are provided by the City of Lake Worth and may be available upon request from Management.

34. Storm Protection.

All Units, awnings, screen rooms, carports, and storage sheds must be anchored in compliance with applicable laws, ordinances, regulations, and codes. When a Unit is to be left unattended for a period of thirty (30) days or longer, all items of personal property must be secured in advance and all awnings are to be closed and securely fastened, with the exception of those awnings designed and built free-standing to withstand high winds. In the event of a hurricane, evacuation of the Community is mandatory. Residents are advised to make arrangements in advance and be prepared to evacuate in the event a hurricane warning is issued. Once a hurricane warning is issued, Management may—at the Resident's expense—attempt to properly secure the Units. It should be observed that a hurricane warning means hurricane conditions are imminent; and therefore, resources may be scarce. Management makes no warranties or representations regarding its ability to secure any individual Unit and will not be financially responsible for any loss or damage incurred by the Residents.

35. Laundry Facilities.

The Community provides coin-operated laundry facilities for Residents only. To avoid disturbing the quiet enjoyment of the Residents near the laundry facilities, laundry room hours are from 8 a.m. to 10 p.m. From time to time, and with or without notice, the laundry facilities and adjoining restrooms may be closed for cleaning, maintenance, or repair. Management is not responsible for lost or stolen articles or for accidents or injury to any person. Accordingly, Residents are encouraged to remain at the laundry facility and not to leave items unattended.

36. Removal of Mobile Homes and RVs.

Mobile Homes and RVs may not be removed from the Community unless all Lot Rental Amounts, fees, charges, and assessments are paid to the end of the term. The Community may prevent the removal of a Unit to enforce this rule. If the Unit is being removed from the Community, the Lot is to be left neat, clean, and free of debris, trash, rubbish,

discarded articles or unused items. Any damage done to the Lot or the Community when a Unit is being removed is the responsibility of the Resident that is moving out. Anyone moving a Unit out of the Community must let Management know what day the move will be taking place, at least three (3) days prior to the move.

37. Liability.

Parents are responsible and liable for the conduct of and any injuries or damage caused by their children to the property of others, including injuries to the Community property. Residents and owners of Mobile Homes or RVs are responsible and liable for the conduct of and any injuries or damage caused by their guests and pets.

All personal property, including a Mobile Home or RV placed on a Lot, shall be placed in the Community at the Resident's risk, and Management shall not incur any liability for loss of or injury to such property with respect to any other property or persons due to causes including, but not limited to, fire, faulty installation of the Unit, explosions, flood, smoke, water escape, changes in the level of underground water tables, windstorm, hail, lightning, aircraft, vehicles (other than those operated by or for the Community), earthquake, or insect damage of any nature whatsoever. Each Resident shall indemnify and hold harmless the Management from any and all damages, liabilities, losses, claims, costs, and expenses (including attorneys' fees) arising from injury to persons or property caused by any act or omission of the Resident and/or her or his family, licensees, or invitees.

38. Compliance with Government Regulations and Hazardous Waste.

Residents, Occupants, and guests must comply with all applicable governmental regulations. No Unit or Lot may be used for any illegal or immoral purpose, use, activity, or business. Residents agree to comply with governmental regulations concerning the storage and disposal of all forms of hazardous waste arising from their occupancy of the premises. Should any Resident, Occupant, or guest fail to comply with applicable governmental regulations, the Resident and owner of the Unit specifically agree to be personally liable for all costs, fees, penalties, interest, and charges of any kind whatsoever arising from such failure to comply with the governmental regulations. Further, RESIDENTS AND MOBILE HOME OR RV OWNERS AGREE TO INDEMNIFY AND HOLD THE COMMUNITY HARMLESS FROM ALL SUCH COSTS, FEES, PENALTIES, INTEREST AND CHARGES OF ANY KIND WHATSOEVER.

IMPORTANT NOTICE: A FIRST VIOLATION OF THIS RULE IS SUBJECT TO EVICTION ACTION, PURSUANT TO SECTION 723.061, FLORIDA STATUTES (FOR MOBILE HOMES) OR CHAPTER 83, FLORIDA STATUTES (FOR RVS), AS AN ACT INJURIOUS TO THE OTHER RESIDENTS HEALTH, SAFETY, AND PEACEFUL ENJOYMENT OF THE COMMUNITY.

39. Grievance Procedure.

To facilitate the prompt and equitable resolution of any complaint by Residents, the Community has established the following procedure, which Residents are required to follow, in an attempt to rectify any issues or concerns:

- 39.1. Complaints: All complaints must initially be submitted to the Community Manager. If the Community Manger agrees with the complaint, she or he will take action to correct the issues raised. If the Community Manger does not agree with the complaint, she or he will explain to the Resident his or her understanding of the Community's position regarding such matters. The Community Manager is required to fairly and equitably enforce the Community's Rules and Regulations and Rental Agreement.
- 39.2. Recourse and Clarification: Should any Resident believe that the position taken by the Community Manager is wrong, especially on an item that may not be covered in the Community's present Rules and Regulations and which may need further clarification, such Resident is then requested to prepare a written statement specifically outlining the nature of the complaint, and all facts supporting the complaint. This statement then should be delivered to the grievance committee of the Community by U.S. Mail addressed to:

Holt, Inc.
Attn: Grievance Committee
1717 12th Avenue South
Lot F-6
Lake Worth, Florida 33460

In the statement, the Resident should include their name, address, telephone number, and email address. The grievance committee, upon receipt of such statement, will investigate the complaint and will reply in writing directly to the Resident either requesting additional information or setting forth the Community's final position on the matter.

40. Rights of Management.

Management shall have the right of access to the Resident's Unit to prevent imminent danger to an occupant of the Unit or to the Unit itself. Management shall have the right of entry onto the Lot at all reasonable times for purposes of repair and replacement of utilities and protection, maintenance, repair, or improvement of the Community.

Specific variances to these Rules and Regulations may be granted by Management due to space limitations, design considerations, in cases where the intent of a Rule or Regulation is met but not the specific requirement, or in such other circumstances as to not disturb Residents' quiet enjoyment of the Community and where the basis for the variance is deemed sufficient in the sole discretion of the Management.

The rights of the Management contained herein are cumulative and failure of the Management to exercise any right shall not operate to forfeit any other rights of the Management. The failure of the Community Management to insist, in any one or more instances, upon a strict performance of any right of the provisions of the Rental Agreement or Rules and Regulations, or to exercise any right or option contained herein, or to serve any notice, or to institute any action or proceeding, shall not be construed as a waiver or relinquishment for the future of any such provisions, options or rights, but such provisions, options or rights shall continue and remain in full force and effect. The receipt by the Management of any monies due hereunder, with knowledge of the breach

of any Community rule or provision of the Rental Agreement, shall not be deemed a waiver of such breach, and no waiver by the Management of any provision hereof shall be deemed to have been made unless in a writing, expressly approved by the Board of Directors of Holt, Inc., and not by any agent thereof, including the Manager.

41. Eviction of Mobile Home and Owner.

Any Resident, Occupant, Tenant, owner of a Mobile Home, or Mobile Home itself may be evicted from this Community based on one (1) or more of the grounds listed in Chapter 723, Florida Statutes.

42. Incorporation with Rental Agreement.

If these amounts are not billed by the City of Lake Worth on a per-lot basis, the amount of this fee will be calculated based on each mobile home owner's pro rata share of the total actual costs. A mobile home owner's pro rata share will be computed by dividing the total number of mobile home lots leased by the mobile home owner by the total number of leased mobile home lots in the park and multiplying it by the total amount of the fee imposed by the City of Lake Worth.

Waste Disposal and Garbage Collection	Amount determined by the City of Lake Worth	The amount of this fee will be the amount charged by the City of Lake Worth on a per-lot basis for garbage collection. If these amounts are not billed by the City of Lake Worth on a per-lot basis, the amount of this fee will be calculated based on each mobile home owner's pro rata share of the total actual costs. - e. Wherever “0” or “N/A” appears above a blank for the amount charged for any rental category described above, it means that the charges for that rental category are not imposed by Lazyland as of the effective date of this Agreement. All charges, including those listed as “0” or “N/A,” are subject to increase pursuant to Chapter 723, Florida Statutes and the Prospectus.
- f. Mobile home owners will also be responsible for payment of any pass-through charge, which is the mobile home owner’s Proportionate Share, as defined on page 2 of the Prospectus and in accordance with Chapter 723, Florida Statutes, of the necessary and actual direct costs and impact or hookup fees for a governmentally mandated capital improvement which may include the necessary and actual direct costs and impact or hookup fees incurred for capital improvements required for public or private regulated utilities. The charges may be assessed more often than annually and will be assessed to the Resident(s) on a Proportionate Share basis.
- g. Lazyland may charge the mobile home owner for any costs incurred or caused by any state, federal, or local government or utility company. Lazyland may pass on, at any time during the term of the lot rental agreement, certain government or utility charges subject to the requirements of Chapter 723, Florida Statutes, as amended. If charged for separately, these allowable Pass-On Charges will not be otherwise collected in the remainder of the Lot Rental Amount. The Pass-On Charges may be assessed more often than annually and will be assessed to the Resident(s) on a metered basis, based on actual usage, or on a pro rata basis. A Resident’s pro rata share will be computed by dividing the total number of Mobile Home Lots leased by the Resident by the total number of leased Mobile Home Lots in the Community and multiplying it by all direct costs, including, by way of example and not by limitation thereof, any and all engineering, design or development charges of every nature; plus, any impact or hookup fees charged by a utility company or governmental entity; plus, any costs of capital related to such costs or charges.
- h. Assessments may be imposed in addition to the Base Rent, based on specific, one-time “increased costs” to Lazyland, including but not limited to, any costs arising due to acts of God or third parties, or other one-time costs of maintaining or improving to the common areas, including without limitation, costs of repairs; improvements; renovations; redecoration; landscaping; paving (including patching, re-surfacing, striping or re-striping roadways); pest control; cleaning or pressure washing; constructing or developing recreational or other common facilities; providing or repairing heating, ventilating, and air-conditioning services; or the cost of capital improvements or major repairs made in or for the benefit of the Community or its Residents. Assessments will be made only for costs that are not otherwise included in the remainder of the Lot Rental Amount. The assessment will be imposed as set forth in the Notice of Assessment. The Notice of Assessment will be given ninety (90) days prior to the effective date of the assessment.

5. Security Deposit. A security deposit in the amount of \$_____ is due prior to occupancy. Payment of the security deposit is a condition precedent to this

Agreement. The security deposit will be held by the Community pursuant to the requirements of Chapter 83, Florida Statutes. Upon the termination of this Agreement, the security deposit is refundable, pursuant to the requirements of Chapter 83, Florida Statutes, contingent on the Resident's payment of all obligations and full compliance with all terms of this Rental Agreement prior to departure from the Community.

6. Payment of Lot Rental Amount. The monthly Lot Rental Amount payments shall be paid promptly on the dates agreed as set forth herein. All payments are payable in check or money order made payable to Holt, Inc. and must be received in the Management office on or before the due date. Time is of the essence in this Agreement.

8. No Assignments or Subletting. Resident(s) shall not assign the Agreement, or any interest therein or rights thereunder, and shall not sublet the leased premises or any part thereof, or allow any other person or persons to occupy or use the leased premises without Lazyland's express prior written consent. Any assignment or subletting without Lazyland's consent shall be void, and shall constitute a default by Resident(s) under this Agreement.

9. Change, Sale, or Exchange of Mobile Home. Mobile Homes may not be exchanged or substituted for one that is not now on the premises without first obtaining the written consent of Lazyland. A purchaser of Resident's mobile home must qualify under the requirements for entry into the Community under the Community Rules and Regulations and must be approved in writing by Lazyland prior to any sale by Resident(s).

10. Liability. The mobile home placed or located on the premises described above shall be at the risk of the Resident(s) or owner thereof. Lazyland shall not be liable for any personal injury to Resident(s) or to any other occupant, guest, invitee, or licensee, nor for any damage to the leased property or for any other property located thereon; irrespective of how such injury or damage may be caused, whether from action of the elements or acts of negligence, or acts by other persons whatever their identities.

11. Compliance with Applicable Law. Resident(s) shall promptly comply with all statutes, ordinances, rules, orders, regulations, and requirements of the Federal, State, County, and City governments and of any and all their departments and bureaus applicable to said premises or to the mobile homes located thereon. In accordance with this provision, Resident(s) acknowledges that the mobile home must be properly secured or tied down, and Resident(s) further covenants and agrees to have this service performed at Resident's cost, prior to occupancy of the mobile home and as disclosed in the Prospectus. Resident(s) further agree to comply with all applicable criminal laws. Resident(s) further agree to comply with all governmental regulations concerning the storage and disposal of all forms of hazardous wastes arising from Resident's occupancy of the premises. Should Resident(s) fail to comply with any applicable governmental regulation, Resident(s) specifically agree to be personally liable for all costs, fees, penalties, interest, and charges of any kind whatsoever arising from such failure and to indemnify and hold harmless Lazyland from all such costs, fees, penalties, interest, and charges.

ATTENTION: ANY VIOLATION OF THIS PROVISION OF THIS AGREEMENT (EVEN IF IT IS THE FIRST VIOLATION) MAY BE GROUNDS FOR EVICTION IF THE ACT IS FOUND BY ANY COURT OF COMPETENT JURISDICTION TO HAVE BEEN AN ACT THAT ENDANGERED THE LIFE, HEALTH, SAFETY, OR PROPERTY OF THE PARK RESIDENTS OR EMPLOYEES OR THE PEACEFUL ENJOYMENT OF THE MOBILE HOME PARK BY ITS RESIDENTS.

12. Compliance with Rules and Regulations. Resident(s) agrees to abide by all Rules and Regulations of the Community and agrees that violation thereof shall be grounds for eviction from the Community. Resident(s) acknowledges having had a reasonable opportunity to read the current Rules and Regulations which are incorporated herein by reference. Lazyland and Resident(s) agree that the Rules and Regulations will not be changed without written notification to the Resident(s) at least ninety (90) days prior to implementation. Rule changes adopted as a result of restrictions imposed by governmental entities or those required to protect the public health, safety, and welfare may be enforced prior to the expiration of the ninety (90) day period.

13. Eviction. Lazyland may evict Resident(s) and/or their mobile home only for the reasons specified in Chapter 723, Florida Statutes.

Lazyland's acceptance of one or more late payments shall not constitute a waiver of its right to evict for late payment or non-payment of Lot Rental Amounts in the future.

The parties agree that if Lazyland determines that Resident(s) is to be evicted for violating a Rule or Regulation of the Community, Lazyland will first give Resident(s) written notice of such violation and seven (7) days within which to comply with such Rules and Regulations. Thereafter, Lazyland will deliver written notice of the basis upon which Resident(s) is to be evicted at least thirty (30) days prior to the date Resident(s) is to vacate the premises.

Eviction for violation of a Community Rule or Regulation may be upon the first violation if it is found by any court of competent jurisdiction to have been an act that endangered the life, health, safety, or property of the park residents or employees or the peaceful enjoyment of the mobile home park by its residents. Eviction for violations of all other Rules and Regulations will be for the second violation of the same rule within a twelve (12) month period.

14. Acceleration. In the event of a breach of this Agreement (including the Community's Rules and Regulations or Prospectus) or Chapter 723, Florida Statutes, Lazyland may, pursuant to section 723.061, Florida Statutes, do any one or more of the following: terminate this Agreement; begin a legal proceeding to regain possession of the land and the mobile home thereon in accordance with Chapter 723; and maintain an action for collection of all accrued lot rental amounts. In addition, Lazyland may declare the Lot Rental Amount, for the entire term remaining, immediately due and payable and accelerate same and take any other action allowed hereunder, or by law to collect same. Acceleration does not apply in the case of eviction due to a change in land use or failure to become qualified to be a resident.

15. **Attorneys' Fees and Costs.** If Lazyland shall, at any time, be required to incur any expenses as a result of a breach of the Agreement or the Rules and Regulations of the Community, whether in consulting with its attorneys in instituting any action or proceeding based upon such default, defending, or asserting a counterclaim in any action or proceeding brought by the Resident(s) or by Lazyland, the expense thereof to Lazyland, including its reasonable attorneys' fees and costs (including appellate fees and costs, if any) shall be recovered from the Resident(s) by Lazyland and shall be fully collectable. As used herein and throughout this Agreement, the term "attorneys' fees and costs" shall be deemed to include all fees and costs of every nature incurred whether by attorneys, paralegals, law clerks, legal assistants, expert witnesses, or others working under the direct supervision of a licensed attorney. Said entitlement to attorneys' fees and costs shall be awardable to the prevailing party pursuant to this Agreement and section 723.068, Florida Statutes.

16. **Lazyland's Access to Premises.** Lazyland shall have no right or access to a homeowner's mobile home unless the homeowner's prior consent has been obtained or to prevent imminent danger to the occupant or to the mobile home. Lazyland shall, however, have the right of entry onto the lot for purposes of repair and replacement of utilities and protection, repair, maintenance, or improvement of the Community at all reasonable times, but not in such manner or at such time as to interfere unreasonably with the homeowner's quiet enjoyment of said lot.

17. **Lazyland's Rights.** The rights of Lazyland contained herein are cumulative and failure of Lazyland to exercise any right shall not operate to forfeit any other rights of Lazyland. The failure of Lazyland to insist, in any one or more instances, upon a strict performance of any of the provisions of the lot rental agreement or rules and regulations, or to exercise any right or option contained herein, or to serve any notice, or to institute any action or proceeding, shall not be construed as a waiver or relinquishment for the future of any such provisions, options or rights, but such provisions, options or rights shall continue and remain in full force and effect. The receipt by Lazyland of any monies due hereunder, with knowledge of the breach of any Community rule or provision of the lot rental agreement, shall not be deemed a waiver of such breach, and no waiver by Lazyland of any provision hereof shall be deemed to have been made unless in a writing, expressly approved by Board of Directors of Holt, Inc., not by any agent thereof, including the manager.

18. **Interpretation, Headings, Severability, Entire Agreement, Law, and Venue.** Where appropriate, words or terms in the singular also include the plural and vice versa so as to take into consideration the total number of Residents that are parties to this Agreement. The headings in this Agreement are provided for convenience only and are not intended to alter the terms of the Agreement in any way. Resident(s) agree that Resident(s) is not relying on any prior written or oral statements of any person in deciding to enter into this Agreement. This Agreement, including the documents incorporated herein by reference, represents the entire agreement between the parties. In the event of a breach of this Agreement, Resident(s) agree to irrevocably submit to the personal jurisdiction of the 15th Judicial Circuit Court in and for Palm Beach County, Florida, and the United States District Court for the Southern

District of Florida, either of which shall be the exclusive venue for any action arising out of this Agreement.
